Goal 3: Sustainable Partnership and Cooperation among Stakeholders																						
1. Partnership and Linkages																						
Non-inclusion of GAD concerns in some of the networks and linkages established by colleges/ campuses/ units of the university with other local, national, and international organizations.	Strengthened and institutionalized networks and linkages with other local, national, and international organizations	Percentage of colleges/ campuses/ major units with networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Twenty-two (22) percent (5) of colleges/ campuses/ major units with networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	All colleges/ campuses/ major units	Twenty (20) percent increase in the number of networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Establish and institutionalize networks and linkages with other local, national, and international organizations with GAD perspectives	Salary Attribution - 600,000.00	Twenty-five (25) percent increase in the number of networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Establish and institutionalize networks and linkages with other local, national, and international organizations with GAD perspectives	Salary Attribution - 700,000.00	Thirty (30) percent increase in the number of networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Establish and institutionalize networks and linkages with other local, national, and international organizations with GAD perspectives	Salary Attribution - 1,000,000.00	Thirty-five (35) percent increase in the number of networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Establish and institutionalize networks and linkages with other local, national, and international organizations with GAD perspectives	Salary Attribution - 1,300,000.00	Thirty-five (35) percent increase in the number of networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Establish and institutionalize networks and linkages with other local, national, and international organizations with GAD perspectives	Salary Attribution - 1,700,000.00	Thirty-five (35) percent increase in the number of networks and linkages with other local, national, and international organizations with GAD perspectives established and institutionalized	Establish and institutionalize networks and linkages with other local, national, and international organizations with GAD perspectives	Salary Attribution - 2,400,000.00
Goal 4: Gender Responsive Governance																						
1. Data Banking and Publication																						
Low level of awareness of GAD implementers on the importance of collecting/ updating SDD and gender statistics and its usage	Ensure the use of sex-disaggregated data and other vital information obtained from its operations in decision making processes	Percentage functionality of the Knowledge Management System established	Human Resource Information System, Enrolment System, and Stakeholders Information System	HRDO, College Registrar, MIS	Twenty-five (25) percent functionality of the Knowledge Management System	Establish/ update sex disaggregated data using the different intake forms	Total - 616,000.00 IEC Materials - 10,000.00 Salary Attribution - 90,000.00	Fifty (50) percent functionality of the Knowledge Management System	Establish/ update sex disaggregated data using the different intake forms	Salary Attribution - 440,000.00	Seventy-five (75) percent functionality of the Knowledge Management System	Establish/ update sex disaggregated data using the different intake forms	Salary Attribution - 440,000.00	One hundred (100) percent functionality of the Knowledge Management System	Establish/ update sex disaggregated data using the different intake forms	Salary Attribution - 440,000.00	Maintenance of the Knowledge Management System	Establish/ update sex disaggregated data using the different intake forms	Salary Attribution - 440,000.00	Maintenance of the Knowledge Management System	Establish/ update sex disaggregated data using the different intake forms	Salary Attribution - 440,000.00
Section 37-C of the IRR of the Magna Carta of Women provides for the strengthening of the GAD Focal Point System to catalyze and accelerate gender mainstreaming within the agency.	Strengthened the gender responsiveness of the university	Percentage of GAD personnel rehired and capacitated on GAD	Four (4) personnel rehired and capacitated on GAD	HRDO and GAD-RC	One hundred (100) percent of GAD personnel rehired and continuously employed and capacitated on GAD	Rehire and continuously employ personnel to work on GAD	Salary Attribution - 694,704.00	One hundred (100) percent of GAD personnel rehired and continuously employed and capacitated on GAD	Rehire and continuously employ personnel to work on GAD	Salary Attribution - 694,704.00	One hundred (100) percent of GAD personnel rehired and continuously employed and capacitated on GAD	Rehire and continuously employ personnel to work on GAD	Salary Attribution - 694,704.00	One hundred (100) percent of GAD personnel rehired and continuously employed and capacitated on GAD	Rehire and continuously employ personnel to work on GAD	Salary Attribution - 694,704.00	One hundred (100) percent of GAD personnel rehired and continuously employed and capacitated on GAD	Rehire and continuously employ personnel to work on GAD	Salary Attribution - 694,704.00	One hundred (100) percent of GAD personnel rehired and continuously employed and capacitated on GAD	Rehire and continuously employ personnel to work on GAD	Salary Attribution - 694,704.00
		Percentage of GAD Coordinators and Alternates designated for a term of at least 3 years	Twenty-six (26) GAD Coordinators and Alternates designated for a term of at least 3 years	All colleges, campuses, and major units	Eighty-five (85) percent increased in the number of the GAD Coordinators and Alternates designated for a term of at least 3 years	Designate GAD coordinators and alternate for a term of at least 3 years	Salary Attribution - 2,323,200.00	Continuously designate GAD Coordinators and Alternates for a term of at least 3 years	Designate GAD coordinators and alternate for a term of at least 3 years	Salary Attribution - 2,323,200.00	Continuously designate GAD Coordinators and Alternates for a term of at least 3 years	Designate GAD coordinators and alternate for a term of at least 3 years	Salary Attribution - 2,323,200.00	Continuously designate GAD Coordinators and Alternates for a term of at least 3 years	Designate GAD coordinators and alternate for a term of at least 3 years	Salary Attribution - 2,323,200.00	Continuously designate GAD Coordinators and Alternates for a term of at least 3 years	Designate GAD coordinators and alternate for a term of at least 3 years	Salary Attribution - 2,323,200.00	Continuously designate GAD Coordinators and Alternates for a term of at least 3 years	Designate GAD coordinators and alternate for a term of at least 3 years	Salary Attribution - 2,323,200.00
		Percentage of the requested supplies, materials, and equipment for GAD operation purchased	Three hundred thousand (300,000.00) pesos worth of supplies, materials and equipment for GAD operation purchased	All colleges, campuses, and major units	One hundred percent of supplies, materials and equipment for GAD operation purchased	Purchase supplies and equipments for GAD operation	Supplies, Materials, and Equipments - 300,000.00	One hundred percent of supplies, materials and equipment for GAD operation purchased	Purchase supplies and equipments for GAD operation	Supplies, Materials, and Equipments - 300,000.00	One hundred percent of supplies, materials and equipment for GAD operation purchased	Purchase supplies and equipments for GAD operation	Supplies, Materials, and Equipments - 300,000.00	One hundred percent of supplies, materials and equipment for GAD operation purchased	Purchase supplies and equipments for GAD operation	Supplies, Materials, and Equipments - 300,000.00	One hundred percent of supplies, materials and equipment for GAD operation purchased	Purchase supplies and equipments for GAD operation	Supplies, Materials, and Equipments - 300,000.00	One hundred percent of supplies, materials and equipment for GAD operation purchased	Purchase supplies and equipments for GAD operation	Supplies, Materials, and Equipments - 300,000.00
2. Monitoring and Evaluation																						
The needs of women from a gender perspective shall be addressed to ensure their full protection from sexual exploitation and other sexual and gender-based violence committed against them during time of disaster (Section 10, IRR MCW)	Capacitated students, faculty members, and employees on gender-responsive disaster preparedness, risk reduction and management	Percentage of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Two (2) percent of the faculty members, employees, and students (300) capacitated on gender-responsive disaster preparedness, risk reduction and management	Office of the Vice President for Administrative and Support Services, GAD-RC, All colleges, capuses, and units	Thirty-five (35) percent increased in the number of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Conduct of Gender-Responsive Disaster Preparedness and Risk Reduction and Management Seminar/Training	Total - 794,000.00 Food - 360,000.00 Honorarium - 24,000.00 Transportation - 10,000.00 Salary Attribution - 400,000.00	Forty (40) percent increased in the number of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Conduct of Gender-Responsive Disaster Preparedness and Risk Reduction and Management Seminar/Training	Total - 984,000.00 Food - 450,000.00 Honorarium - 24,000.00 Transportation - 10,000.00 Salary Attribution - 500,000.00	Forty-five (45) percent increased in the number of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Conduct of Gender-Responsive Disaster Preparedness and Risk Reduction and Management Seminar/Training	Total - 1,554,000.00 Food - 720,000.00 Honorarium - 24,000.00 Transportation - 10,000.00 Salary Attribution - 800,000.00	Fifty (50) percent increased in the number of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Conduct of Gender-Responsive Disaster Preparedness and Risk Reduction and Management Seminar/Training	Total - 2,314,000.00 Food - 1,080,000.00 Honorarium - 24,000.00 Transportation - 10,000.00 Salary Attribution - 1,200,000.00	Fifty (50) percent increased in the number of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Conduct of Gender-Responsive Disaster Preparedness and Risk Reduction and Management Seminar/Training	Total - 3,454,000.00 Food - 1,620,000.00 Honorarium - 24,000.00 Transportation - 10,000.00 Salary Attribution - 1,800,000.00	Fifty (50) percent increased in the number of students, faculty members, and employees capacitated on gender-responsive disaster preparedness, risk reduction and management	Conduct of Gender-Responsive Disaster Preparedness and Risk Reduction and Management Seminar/Training	Total - 4,784,000.00 Food - 2,250,000.00 Honorarium - 24,000.00 Transportation - 10,000.00 Salary Attribution - 2,500,000.00
Sec. 20 of the IRR of MCW. Women's Right to Health provides for comprehensive, culture sensitive, and gender-responsive health services and programs covering all stages of a woman's life cycle and which address the major causes of women's mortality and morbidity including the demands of responsible parenthood, and the right of women to protection from hazardous drugs, devices, interventions, and substances.	Increase the level of awareness and understanding of students, faculty members, and employees about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Percentage of students, faculty members, and employees with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Six (6) percent of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	University Health Services, All colleges, campuses, and major units	Thirty-five (35) percent increased in the number of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Conduct seminar/ orientation on RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Total - 1,381,000.00 Food - 630,000.00 Honorarium - 12,000.00 Transportation - 5,000.00 Salary Attribution - 700,000.00	Forty (40) percent increased in the number of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Conduct seminar/ orientation on RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Total - 1,951,000.00 Food - 900,000.00 Honorarium - 12,000.00 Transportation - 5,000.00 Salary Attribution - 1,000,000.00	Forty-five (45) percent increased in the number of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Conduct seminar/ orientation on RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Total - 2,806,000.00 Food - 1,305,000.00 Honorarium - 12,000.00 Transportation - 5,000.00 Salary Attribution - 1,450,000.00	Fifty-five (45) percent increased in the number of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Conduct seminar/ orientation on RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Total - 3,851,000.00 Food - 1,800,000.00 Honorarium - 12,000.00 Transportation - 5,000.00 Salary Attribution - 2,000,000.00	Forty-five (45) percent increased in the number of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Conduct seminar/ orientation on RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Total - 5,751,000.00 Food - 2,700,000.00 Honorarium - 12,000.00 Transportation - 5,000.00 Salary Attribution - 3,000,000.00	Forty-five (45) percent increased in the number of students, faculty members, and employees (1,075) with enhanced level of awareness and understanding about RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Conduct seminar/ orientation on RPRH/ maternal/ reproductive health (HIV, Acetic Acid Wash, Early Teenage Pregnancy and Breast Self Examination)	Total - 8,601,000.00 Food - 4,050,000.00 Honorarium - 12,000.00 Transportation - 5,000.00 Salary Attribution - 4,500,000.00
		Level of Assessment on Gender Mainstreaming and Evaluation Framework	GMEF Assessment Level 4: Commitment Enhancement and Institutionalization	All colleges, campuses, units		GMEF Assessment Level 5: Replication and Innovation	Mainstream GAD in all operations													GMEF Assessment Level 5: Replication and Innovation
